

# December Library Challenge

~ Please return by December 18<sup>th</sup> for a reward! ~

This month we are working on searching for information (research).  
Follow the instructions (directions) or clues with every question.

## 1. What snow games/sports or activities can you do in the snow?

---

---

---

---

---

\*Use the book The Mystery in the Snow for some ideas! There are sketches (pictures) to see too. (Call#: Fic WAR)

## 2. Does the snow melt on cold days?

\*See the book Cold Days for the answer! (Call#: E BUR)

---

---

## 3. What is an ice-skating rink?

\*Use the book Cold Days to get the definition (the answer)!

~ please turn over ~

---

---

**4. In the book series (Call #: Fic MAR) Babysitters: Little Sister #94  
Karen's Snow Princess,**

**Karen is in a "Snow Princess \_\_\_\_\_"?**  
(clue: look at chapter 15)

**5. How is frost and ice formed?**

**\*Look in How the Weather Works (Call#: 551.5 ALL) to find the answer (clue: in the frost and ice section)!**

---

---

**6. What months is it winter? See The Snowflake for ideas.**

**7. What falls to the ground and people often try to catch it with their tongues?**

**8. What happens to leaves in winter?**

**9. What season is the opposite (unlike) of winter? (clue: when is it hot?)**

**10. What is your favorite season (Spring, Summer, Winter or Fall) and what do you like about it?**
